Miami

Note: Map is not specific to your port or tour. Don't use it to navigate back to your ship or tour location.

Nestled between Biscayne Bay to the east and Everglades National Park to the west, Miami, Florida is one of the Sunshine State's most vibrant, culturally diverse, and dynamic cities. Neon pink lights and tropical nights beckon you to this popular tourist destination, a favorite port for travelers on Caribbean and Trans-Atlantic cruises.

Miami's expansive stretch of sand and sun is a beach-lover's paradise. Lined with palm trees, Miami Beach and South Beach are excellent sites to soak up some Vitamin C, take a plunge in warm cerulean waters, and traverse the bay by boat. South Beach boasts amazing nightlife, including stunning rooftop bars with ocean views and vivid nightclubs. The LGBTQ community has contributed immensely to the city's nightlife – several gay bars and drag clubs are some of Miami's most sought-after spots for dancing. You'll find the famous Art Deco district, with a delightful collection of vintage architectural masterpieces, mere steps from the sandy coastline.

A veritable melting-pot, Miami has been heavily influenced by Latin American culture. Visit the city's Little Haiti and Little Havana neighborhoods to discover authentic Cuban and Haitian cuisine, colorful art museums, jazz bars, and robust brewed coffee. Revel in a savory bite of the classic Cubano sandwich, a staple in Miami.

Whether golfing, fishing, partying, or sun-bathing, sunny Miami, Florida has something for everyone!

Beloved by cruise-goers, Nassau is a stunning Bahamian paradise and an essential destination on many Caribbean cruises. With so much to experience and explore, charming Nassau will easily enchant you on your adventure to the Bahamas! Hit one of Nassau's many beaches, including Montagu Beach, Goodman's Bay, and Cable Beach, to soak up some sunshine and relax in warm sands. Take a plunge in the ocean to snorkel or swim with dolphins, sharks, and sting rays. Enjoy even more wildlife and Nassau's botanical beauty at Ardastra Gardens and Zoo, where you'll catch a glimpse of bright pink flamingos. Head to nearby Arawak Cay to sample the island's best fish fry and conch, a Bahamian delicacy, or taste a flight of sweet rum at distilleries in the city center. Venture downtown for a shopping excursion; the Nassau Straw Market is popular for buying souvenirs made of hand-woven straw.
